

Public eFile Training for Columbia, Grays Harbor, Kitsap and Whatcom County Superior Courts

At the end of April, Columbia, Grays Harbor, Kitsap and Whatcom County Superior Courts are implementing eFiling as part of a pilot program through the Administrative Office of the Courts (AOC).

AOC and Tyler Technologies have established two training sessions specifically for filers to receive training from Tyler Technologies on how to use Odyssey File & Serve (OFS). Those interested in attending can register for one or both sessions, and questions will be answered throughout the live tutorial.

Here is the registration link for filers:

- Thursday, April 11 – 8 a.m.-9 a.m. Pacific
- Friday, April 12 – 12 p.m.-1 p.m. Pacific

If members have difficulty with registering to attend a training, they can contact Filer Support by visiting the WA eFile support website (<https://odysseyfileandservecloud.zendesk.com/hc/en-us/requests/new>) and clicking on “Contact Us” on the right, top corner of the page.
